The Gumeracha Brigade fire station is situated at the corner of Murray and Victoria St Gumeracha.

Brigade members meet and train every Tuesday night at 7.30 pm. Cadets currently train on Thursday evenings.

Our main work is in delivering fire and emergency services at bush fires, road accidents, floods, house and other structure fires. We attend helicopter landings and monitor the Gumeracha Hospital fire panel. When requested, our Brigade provides members on strike teams to assist other CFS groups at fires outside our own district.

Traffic control

We also have a strong community presence, such as assisting at the Gumeracha Medieval Fair, the Antique and Collectibles Weekend and when possible, we aim to offer a Santa Run throughout the township each Christmas.

New member interest is always welcome. Not every member needs to be an active fire fighter! We have radio operators and brigade support personnel. Cadets can begin from age 11, and generally train with other brigades' cadets throughout our group. Our Cadet instructors are police checked and experienced personnel.
